COMMERCIAL SUBMITTAL REQUIREMENTS

INCOMPLETE APPLICATIONS CAN NOT BE ACCEPTED

Use the Laramie County Parcel Viewer for aerials and for information on the property such as zoning, floodplains, etc: <http://arcims.laramiecounty.com/>

Use Citizen Access to check the status of your permit, the inspection results and to print copies of your issued permit at: <http://devpublicaccess.laramiecounty.com:8780/citizenaccess/>

All Permit Applications must include the following:

1. Completed Application Form
2. Certificate of Review from the Planning Division
3. One Site Plan approved by the Planning Division
4. One set of Engineered and Stamped Building, Plumbing, Mechanical, Electrical plans
5. One set of Engineered and Stamped Foundation plans (stamped by a registered Wyoming Engineer)
6. One full set of electronic plans (stamped)
7. Payment for Fees (Credit Card and E-Check options are available on our website)

Please note that we require one full set of plans as well as an electronic set whenever possible. If electronic copies are not submitted, we will require 2 full sets of plans. Please contact us if you have questions.

Please refer to attached for complete instructions and information.

NOTICE:

The Applicant, his Agents and Employees shall comply with all the rules, restrictions and requirements of Laramie County Zoning Regulations and Laramie County Building Codes governing location, construction and erection of the above proposed work for which the permit is granted. The Building Official or his agents are authorized to order the immediate cessation of construction at any time a violation of the codes or regulations appears to have occurred. Violation of any of the codes or regulations applicable may result in the revocation of this permit.

Buildings must conform with plans as submitted to the Laramie County Planning & Development Office. Any change of plans or layout must be approved prior to the changes being made. Any change in the use or occupancy of a building or structure must be approved prior to proceeding with construction.

The Applicant is required to call for inspections at various stages of the construction, and in accordance with the aforesaid rule, the applicant shall give the Building Inspector not less than one day's notice to perform such activities.

The Applicant must comply with current Planning & Development office expiration policy. Laramie County is not liable for workmanship.

The following items expand on the submittal requirements. Not all projects require all items listed below, please contact us if you have any questions.

- 1. Application Form:** can be obtained at the Laramie County Planning & Development Office or on-line at the Laramie County website at www.laramiecountyplanning.com
- 2. Certificate of Review (COR):** A copy of the approved COR from the Planning Division shall be submitted with all Commercial building permit applications.
- 3. Site Plans:** An approved site plan, approved by the Planning Department shall be submitted
 1. North arrow
 2. Location of proposed building
 3. Distances between each property line to proposed building (the minimum is from 2 property lines)
 4. Distances between proposed building and any existing structures
 5. Identify the street or county/state road being accessed from
 6. Driveway location with driveway width and surface type (and distance to the closest property line)
 7. Location of well and septic system (if applicable)
- 4. Building Plans:** One paper set (11"x17" or larger) and one full set of Electronic plans shall be submitted. Plans should include all of the items listed below which apply to your particular project. Plans and specifications must be drawn to scale on substantial paper, and must indicate locations, nature and extent of the work proposed, and should show in detail that it will conform to the adopted Laramie County Building Code, and shall state the design standards meet or exceed wind and snow loads for the area. The recommended scale for plans is 1/4" = 1'. Plan Review fees are calculated at 65% of the building permit fee based on provided valuation. Fee adjustments may be made if needed.

If the project is an addition or remodel, be sure to clearly label all existing and all proposed construction.

Foundation and Floor- Framing Plan: All foundations shall be designed and wet-stamped by an architect or engineer licensed by the State of Wyoming. Additionally, an open hole report shall be submitted to this office by an architect or engineer licensed by the State of Wyoming. Contact the Planning & Development Office for exceptions. Foundation and floor framing plans must include the following information:

1. Location of continuous foundations and pier footings
2. Size and depth of footings
3. Thickness of concrete slabs
4. Size and spacing of girders
5. Size and spacing of floor joists
6. Location of crawl holes and vents
7. Size of stem walls
8. Location and size of re-enforcing steel to be installed
9. Elevation of foundation in relation to grade
